

A Place to Flourish: “I have come that they may have life, and have it to the full” (John 10:10)

LONG TERM COLLECTIVE WORSHIP PLAN

Family I am, because we are.			Flourish I am a beacon of hope.			Respect To learn from, and grow alongside.		
Compassion	Responsibility	Collaboration	Wisdom	Courage	Hope	Honesty	Forgiveness	Thoughtfulness
We show love to one another by being kind and caring. We show empathy by putting ourselves in other people's shoes.	We are faithful to ourselves, our friends and the school. We know we have responsibility to be safe and look after one another.	We include others. We listen to each other and negotiate ideas to ensure we reach the best outcome.	We have the knowledge to make the right choices.	We always try our best, even when it is difficult. We have courage to stand up for what we believe in.	We see the joy in all walks of life. We aspire to make ourselves, our school and our world a better place.	We always tell the truth, even when it is hard. We are honest to share our own thoughts and feelings with others.	We try and make things right by forgiving ourselves and others. We all make mistakes and we are all learning. We have to be kind to ourselves.	We know our actions can impact others. We reflect and evaluate on different situations to improve them.
We are kind to ourselves. We know that we may need to take smaller steps to reach our goal.	We are active learners. We participate, try our best and complete work to the best of our ability.	We know great things happen when we work together. We listen, share and support one another.	We use our knowledge to support our learning and reflections. We make links with previous knowledge, the Bible and the wider world.	We are brave to ask questions and find the answers. We are determined to succeed, even when faced with challenges.	We dream big! We know our learning can help us achieve in the future. We hope to be the best version of ourselves to help our community and the world as a whole.	We know life can be hard – we have to be honest and seek help when needed.	We all make mistakes but we learn from these and start afresh.	We think before we answer. We use our previous knowledge to make links to our new learning. We challenge ideas in a respectful way.

Over the course of the year, we will be exploring where each of these values appear in the Bible, what they look like in practice and how we can learn to get better at exhibiting them, both individually and collectively. Most importantly, we will think about why these values are so important. If we are able to demonstrate these values effectively, we will develop an even more resilient school, full of ambition and achievement, which feels safe, supportive and the perfect environment for each and every person to flourish.
